

The Cleaning Project Resourcing COVID-19 Decontamination Statement:

At C.P.R., the health and safety of our clients and staff are of paramount importance. In response to the ongoing COVID-19 pandemic, we have implemented rigorous decontamination procedures in line with government guidelines to ensure a safe and sanitized environment for all.

Our highly trained cleaning team is committed to following these safety measures:

1. **Personal Protective Equipment (PPE):** Our cleaners are equipped with the necessary PPE, gloves, and gowns, to minimize the risk of transmission.
2. **Hand Hygiene:** Frequent hand washing, and the use of hand sanitizers are mandatory for our staff.
3. **Cleaning Protocols:** We adhere to recommended cleaning and disinfection protocols for high-touch surfaces using approved disinfectants.
4. **Ventilation:** We ensure proper ventilation during and after the cleaning process to promote air circulation.
5. **Equipment Sanitization:** All cleaning equipment and tools are regularly sanitized to prevent cross-contamination.
6. **Health Monitoring:** Our staff undergo daily health checks and are required to report any symptoms of illness.
7. **Training:** Our cleaners are trained in the latest COVID-19 safety guidelines and are kept updated on any changes.
8. **Waste Disposal:** Proper disposal of cleaning materials and waste is carried out following guidelines.

By implementing these safety measures, The Cleaning Project Resourcing aims to provide a secure and sanitized environment for our clients. We are dedicated to doing our part to combat the spread of COVID-19 and protect the well-being of our community. Your safety is our top priority, and we are here to assist you.
